Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the **Neighborhood Development Center Cybersecurity Information Center** in fiscal year 2023. The entity to receive funding for this project is the **Neighborhood Development Center** located at 625 University Ave W., St. Paul, MN 55104. The funding would be used to build out space, likely in NDC's new Frogtown Crossroads building at University and Dale in St. Paul, as a cybersecurity information center, and launch a program that will allow budding cybersecurity professionals trained through MSU's program to hone their skills amongst peers and experienced cybersecurity professionals, while receiving NDC's training, technical assistance, and lending services to launch their own cybersecurity firms. I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in blue ink that reads "Betty McCollum".
