Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the TH120/CSAH 27 Reconstruction project in fiscal year 2025. The entity to receive funding for this project is Washington County located at 14949 62nd St N., Stillwater, MN 55082. Trunk Highway 120 (Century Avenue) from Interstate 694 to CSAH 12 will be turned back by MnDOT to Washington County and become CSAH 27. The funding would be used to reconstruct the roadway and create multimodal facilities for pedestrians and bicyclists, where none exist today.

The project is an appropriate use of taxpayer funds because the funds will be used to improve safety for drivers, bicyclists, and pedestrians. The taxpayer funds will also be used to make necessary highway improvements, improve drainage and surface water management, and implement pedestrian and bicycle facility improvements.

The project has a Federal nexus because the funding provided is for purposes authorized by 23 USC 133(b).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Betty McCollum
Member of Congress
