Dear Chair Cole and Ranking Member DeLauro,

I am requesting funding for a Wet Bulb Globe Temp Sensor Network in fiscal year 2025. The entity to receive funding for this project is Ramsey County, 15 West Kellogg Boulevard, 250 Courthouse, St. Paul, MN, 55102. The purpose of this project is to establish a Wet Bulb Globe Temp Sensor network in Ramsey County. This is a good use of taxpayer funds because the data collected using these experimental forecasting tools will both demonstrate their effectiveness and provide the National Weather Service with more accurate heat data in urban areas.

The project has a Federal nexus because the funding provided is for purposes described in section 272 of title 15, United States Code.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Betty McCollum
Member of Congress
