Dear Chair Cole and Ranking Member DeLauro,

I am requesting funding for a Records Management System in fiscal year 2026. The entity to receive funding for this project is the City of Woodbury, located at 8301 Valley Creek Road, Woodbury, MN 55125. The funding would be used to acquire a specialized record management system for the city. It is a good use of taxpayer funds because it will increase efficiency, improve case and evidence management, and enhance officer safety and situational awareness.

The project has a Federal nexus because the funding provided is for purposes authorized in section 501 of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10152).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink, reading "Betty McCollum".
