Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Public Safety Technology Upgrades in Fiscal Year 2027. The entity to receive funding for this project is the City of Woodbury, located at 8301 Valley Creek Road, Woodbury, Minnesota 55125. The funding would be used for critical public safety technologies including a mobile command post, body camera updates, robotic devices, and modernized police radios. The project is an appropriate use of taxpayer funds because it will strengthen emergency response, enhance officer safety, and improve service delivery for a rapidly growing community.

The project has a federal nexus because the funding provided is for purposes authorized by section 1701(b)(9) of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10381(b)(9)).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink, appearing to read "Betty McCollum".
