Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for Neighborhood Development Center (NDC) Small Business Incubator Project in fiscal year 2022.

The entity to receive funding for this project is the Neighborhood Development Center, located at 663 University Ave W #200, St Paul, MN 55104.

The Small Business Incubator Project will ensure BIPOC business owners have space within their own neighborhoods to successfully run their business. In addition, NDC's Training Center will allow NDC to support other organizations across the state and nation as they learn the NDC model of community/economic development and how it can be applied in their communities. We also plan to do youth training for future "green" jobs and businesses, and explore solar financing.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Betty McCollum
Member of Congress
